WHAT'S COOKING IN THE KITCHEN?

Our very own resident honored us by making one of her favorite recipes from her very own cookbook entitled, *Boiling Water Made Easy!* The recipe she chose to demonstrate was called Treasure Salad, a nice change of pace salad. Her cookbook can be found on Amazon!

EMPLOYEE OF THE MONTH

Christie Breaux is a loving mother of three children and three grandchildren. She has been a nurse for 24+ years. She likes gardening, crafty projects, and to travel. She is also a

fan of our one and only "SAINTS!" Coworkers will tell you that she is always positive and very attentive to residents. Eastridge thanks you for all of your hard work and dedication.

REMINDERS!

In an effort to keep track of all personal items, we kindly ask that you please put your loved one's name on all items you drop off and also add them to the inventory. Please be reminded of the policy, for the safety of our community, what items residents are allowed to have in their possession.

Heartprints

“(n) 1. The impression left behind by a deliberate act of kindness” – P.K. Hallman

Valentines Day is coming soon!
Love is felt everywhere in every room!
Love isn't only saying "I Love You"
It's showing that love through service too.
Heartprints are left when the service is done.
People will feel special and that's part of the fun.
Now, that your heart is touched by this service.
It's your turn to leave heartprints – though you might be nervous.
Before you begin read Heartprints as a family.
And enjoy eating the Valentine candy.
Then in 24 hours, think of a family who would like heartprints too.
Cut out hearts– some pink, purple, and maybe blue.
Write on the hearts things you love about each person.
the mom, dad, and even the children.
Refill the basket with Valentine candy.
And put back the book– that would be dandy.
Now, go to their house when no one is looking.
Leave the surprise right before knocking.
Now remember "A heartprint is formed when you do something kind.
Your love touches others, leaving heartprints behind."
