CELEBRATING EDUCATED MINDS!

This month, residents enjoyed much time participating in the plethora of events that the community of Abbeville has to offer. The residents of Eastridge took the time to cheer on the local marching bands, sports team, and homecoming royalty at our community's homecoming parade! We really enjoyed getting to see the young minds and hearts that are constantly shaping the community around us!

COOKING UP SMILES AT EASTRIDGE!

Residents were also able to bring their love of cooking and camaraderie to fruition through creating dishes that were absolutely delicious. A huge thanks to all residents who participated in bringing southern cuisine to the table!

GOOD HAIR DAYS AHEAD!

As part of an Elder Outreach challenge with our sister communities, we're thrilled to share the incredible transformation of our nursing home beauty salon — a space that now reflects the care, dignity, and joy our residents deserve.

This makeover didn't happen overnight. It was the result of immense hard work, planning, and dedication from our amazing team. From the smallest details to the biggest changes, every element was carefully chosen to create a warm, welcoming, and uplifting environment.

We believe that beauty and self-care are essential to well-being at every stage of life — and now, our salon truly mirrors that belief. Whether it's a fresh haircut, a touch of color, or just a moment to feel pampered, our residents now have a space that makes them feel special every single time they visit.
