To help us keep everyone safe and accounted for, we kindly ask for your cooperation when taking your loved ones out of the building.

When leaving Eastridge:

Please stop at the front desk or kiosk located in the lobby and sign the resident out on the kiosk.

When returning to Eastridge :

Upon return, please sign the resident back in on the kiosk and notify the nurse the resident has returned.

This process allows us to:

- Know who is in the building at all times
- Respond quickly and accurately in the event of an emergency
- Ensure continuity of care for our residents

We truly appreciate your help in making this a smooth and quick step during your visit. If you need assistance using the Kiosk, our team is always happy to help.

Thank you for partnering with us to keep our residents safe and well cared for.
