This past month everyone in our community celebrated a very massive feat at Eastridge—breaking ground on our 15,000 square-foot renovation. This investment is centered in the heart of our mission: To set the standard of excellence in senior care through purpose-drive practices that honor dignity and quality of life. Our expansion will include a state-of-the-art therapy gym, dining room, nurse practitioner exam rooms, and private rooming options. The additions to our facility are rooted in enhancing quality of life and the level of care for residents and families alike!

Thank you to everyone who came out to support and congratulate us; we are both deeply grateful and blessed.

The Resident of the Month

We are so proud to celebrate Ms. Ramona's vibrant spirit this month! She brings joy to everyone around her, whether she's enjoying a lively game of Bingo, Pokeno, or volunteering her time to support others in our community. Her creativity truly stands out in her beautiful paintings, coloring, and crafts, each piece reflecting her colorful personality. When the zydeco musicians come to visit, Ms. Ramona lights up the room—dancing with enthusiasm and even teaching us a few of her signature moves! We are incredibly grateful for the energy, kindness, and joy she brings to Eastridge Nursing and Rehabilitation each and every day. Congratulations to you, Ms. Ramona, on being named Resident of the Month!

Terri Celestine

Employee of the Month

Terri Celestine is our Employee of the Month, and we are proud to recognize her dedication and positive spirit! A loyal member of our team for almost 17 years, Terri brings energy and enthusiasm to everything she does. She is always ready to lend a helping hand throughout the facility, and she does it all with a warm smile that brightens everyone's day. Her creativity and competitive edge truly shine in the beautiful decorations she puts together, adding a special touch to our environment. Outside of work, Terri enjoys casino trips, her favorite Starbucks treats, and shopping on Temu—but above all, she cherishes spending quality time with her family. We are so grateful for the passion and joy she brings to Eastridge Nursing and Rehabilitation!

Family Fun Day

Our Family Fun Day on March 28 was a wonderful celebration filled with laughter, connection, and plenty of excitement for all! Residents, families, friends, and staff came together to enjoy a variety of activities, including a festive Easter egg hunt, friendly games of cornhole, lively music, and a chance to admire classic cars and explore a fire truck up close. A special visit from the Easter Bunny brought smiles to everyone's faces, especially the little ones! Guests also enjoyed delicious food fresh off the grill, including BBQ hamburgers, hotdogs, and sweet ice cream sandwiches. Most of all, it was a beautiful day spent making memories and cherishing the time we shared together as one big community.

To help us keep everyone safe and accounted for, we kindly ask for your cooperation when taking your loved ones out of the building.

When leaving Eastridge:

Please stop at the front desk or kiosk located in the lobby and sign the resident out on the kiosk.

When returning to Eastridge :

Upon return, please sign the resident back in on the kiosk and notify the nurse the resident has returned.

This process allows us to:

- Know who is in the building at all times
- Respond quickly and accurately in the event of an emergency
- Ensure continuity of care for our residents

We truly appreciate your help in making this a smooth and quick step during your visit. If you need assistance using the Kiosk, our team is always happy to help.

Thank you for partnering with us to keep our residents safe and well cared for.
