## AUTUMN ART

Autumn is a time of contemplation.

A time to reflect on the changing of the seasons from growth to decay.

Each year is a cycle of life that repeats.

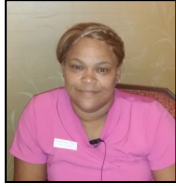

Mother Nature bears the fruits of her labor, celebrating life in a festival of color before the long winter months set in.

It's as if nature is reminding us that life is to be enjoyed, that there is so much to be grateful for, and that we can look forward to renewal again.

Residents enjoyed a relaxing art activity to welcome the coming of the new season.

## EMPLOYEE OF THE MONTH

## Avoid The Flu!

It's that time of year again for Flu Vaccinations! Vaccinating your loved one against the flu is the best way to safeguard their health. Vaccination is particularly important for people who are at higher risk of serious complications from influenza such as hospitalization or death. Please talk to your Director of Nurses or Social Services Director to get your loved one signed up for the flu vaccination.

## INSPIRATIONAL QUOTE OF THE MONTH

“Life is like riding a bicycle. To keep your balance, you must keep moving.”
