SUMMER TIME FUN!

Residents and staff members of Eastridge kicked off their summer with a Hawaiian week. They enjoyed snowballs from Kona Ice, fruit kabobs, and fresh watermelon. They also made fun memories with lei games, a crafty beach in a bottle activity, and limbo, of course.

EMPLOYEE OF THE MONTH

Robin Middleton

Robin Middleton has worked in Skilled Rehab for over 30 years and has been at Eastridge for 12 years.

She has been married to her high school sweetheart for 33 years, has two children, two cats, and two new puppies. In her spare time, Robin

enjoys reading, watching reality TV, crafts, and spending weekends at "The Farm."

Robin plans to finish her career at Eastridge, and one day retire to enjoy traveling and spending time with her future grandchildren. We thank you, Robin, for serving our Eastridge community.

Happy Birthday

THANKS FOR ALL YOU DO!!!

Every year, CNA Week is a time set aside to celebrate and recognize the important work that CNAs do all year long. This special week allows other healthcare providers, family members, and friends of patients who are cared for by CNAs every day in hospitals or nursing homes across America to show their appreciation.

To the incredible CNA staff members of Eastridge, we thank you for being the heart of our team!

"The most important thing in the Olympic Games is not winning but taking part; the essential thing in life is not conquering but fighting well."

– Pierre de Coubertin
